

**ALL RECYCLABLES MUST
FIT AND BE PLACED IN
THE BINS**

**Waste/Recycling
Guidelines**

Recycling Guidelines

Items accepted for recycling bins located on the Town Hall grounds.

1. **Plastics:** Today two types are being recycled: PETE (#1 plastics) and HDPE (#2 plastics). You will find plastic codes on the bottom or side of most plastic containers.

PETE #1 PETE

Polyethylene Terephthalate
Examples are soda bottles.

HDPE #2 HDPE

High Density Polyethylene
Examples are milk bottles.

Lids must be removed and **plastics should be clean and dry.** Labels do not need to be removed. **Plastic bags are not accepted.**

2. **Rigid Plastics:** Rigid plastics are accepted. Examples are buckets, milk crates, plastic toys, flowerpots.

3. **Glass: Green, brown and clear only.** All shapes and sizes are acceptable. **All glass containers should be clean, dry and without caps.**

4. **Aluminum Cans:** All aluminum beverage cans are acceptable. **All aluminum cans must be clean and dry.** Aluminum cans are banned from disposal in your weekly garbage pickup. **Recycle your cans. It's easy and it's the law!**

5. **Steel Cans:** All steel food and beverage cans are acceptable. Some examples are soup cans, fruit cans, vegetable cans, dog and cat food cans and juice cans. **All steel cans must be clean and dry!** Labels do not need to be removed.

6. **Cardboard:** Unwaxed and uncoated corrugated cardboard. Some examples are shipping cartons, equipment boxes. **Cardboard must be broken down flat, clean and dry, AND FIT IN THE BINS.**

7. **Chipboard:** Boxes that are gray or brown in color on the inside. Some examples are cereal boxes, kleenex boxes, cracker boxes.

8. **Newspaper:** All newspaper and tabloids printed on newsprint. Some examples are daily newspapers, newspaper inserts and supermarket tabloids. **All newspaper must be clean and dry.**

9. **Magazines:** All types of magazines.
