

04/30/2020: The Town of Whitsett just got a call from Republic Waste. They said that the trash volume has been extremely high; Republic requests that if your can is missed, you call Town Hall (336 449-3380) and leave a message or speak to whomever answers:

- provide your name and address, and
- that your trash has been missed.

The town will then call Republic at a specific time and give them our list. Leave your can out and Republic will pick up as soon as possible.

Thanks, Ken Jacobs, Town of Whitsett Administrator
